1. Acceptance of Terms and Conditions:

- A. These Purchase Order Terms and Conditions may be communicated to Seller by hard copy, by electronic means, or by any other method chosen by Avstar. By accepting any Avstar Purchase Order, including by supplying the goods ordered, Seller accepts all of the following terms and conditions, which are part of all Avstar Purchase Orders.
- B. Avstar expressly limits its offer to contract under its purchase orders to these Purchase Order Terms and Conditions and the specifications contained in the Avstar Purchase Order at issue, and expressly rejects any terms and conditions of sale that may be submitted by Seller in acknowledging or accepting Avstar's Purchase Order.
- C. These Purchase Order Terms and Conditions, together with the Avstar Purchase Order, constitute the complete, final and entire contract between Avstar and Seller with respect to the goods specified in the Avstar Purchase Order.
- D. Any reference to a Seller quotation shall be deemed to be for information purposes only and shall not be construed as acceptance of the Seller's terms and conditions.
- E. Any change in the terms and conditions of Avstar's Purchase Order or these Purchase Order Terms and Conditions shall be binding on Avstar only if made by a written revision to the Avstar Purchase Order or these Purchase Order Terms and Conditions signed by an authorized representative of Avstar.

2. Packing and Shipment:

- A. Deliveries shall be made without charge for boxing, carting or storage unless otherwise specified. Goods shall be suitably packed to insure against damage from weather or transportation and shall be marked and shipped in accordance with common carrier tariffs to permit application of the lowest transport rate. No additional charge shall be made to Avstar for such packing, marking, shipping and freight.
- B. Avstar's Purchase Order number must be plainly marked on all invoices, packages, bills of lading and shipping orders. Packing lists shall accompany each shipment showing Avstar's Purchase Order number, item number and description of goods. Shipping receipts, original bills of lading, express receipt and air bills shall be sent to Avstar on the date the goods are shipped.
- C. Except as otherwise provided in these Purchase Order Terms and Conditions, the expense of returning good, for whatever reason, shall be borne by Seller with the title and risk of loss passing to Seller at Avstar's facility.

3. Delivery:

- A. Time is of the essence. Deliveries shall be made both in quantities and at times in accordance with Avstar's delivery schedule requirements. Title and risk of loss shall pass to Avstar upon acceptance at Avstar's facility.
- B. Avstar is not obligated to accept any goods provided by Seller in excess of Avstar's Purchase Order. Any overshipment may be returned to Seller at Seller's risk and expense.
- C. Avstar may from time to time change delivery schedules or direct temporary suspension of scheduled shipments by notifying Seller in writing. In additions, Avstar has the right to cancel its Purchase Order in whole or in part from time to time by modifying the Purchase Order in writing and notifying Seller of the change. In no event does Avstar have any liability for loss of anticipatory profits of Seller or Seller's suppliers. Nothing in this clause shall excuse the Seller from proceeding with the delivery schedule or Purchase Order as modified.
- D. If, because of failure of Seller to meet the schedule requirements of the Purchase Order, Avstar finds it necessary to require shipment of any of the products covered by the Purchase Order by a method other than originally specified by Avstar, Seller will be solely responsible for the additional expense, if any, by which the cost of the more expeditious method of transport exceeds the cost of the method of transport originally specified.
- E. Seller is responsible for all other damages of any kind incurred or suffered by Avstar and by the ultimate purchasers or users of the goods proximately caused by any delay of seller beyond the scheduled delivery date. Avstar may from time to time in advance of shipment dates,

and at Avstar's expense, direct that an alternate mode of transportation be used and Seller will promptly comply with such direction.

F. Any shipment that arrives at Avstar's facility prior to the Purchase Order authorized delivery date will be refused and returned to Seller at Seller's risk and expense or, at the sole option of Avstar will be received and stored by Avstar at Seller's sole expense and risk of loss until the Purchase Order authorized delivery date or until such earlier date, if any, as of which Avstar elects to forego further objection to the shipment's premature delivery. Payment terms do not take effect until such time as Avstar has accepted delivery of any shipment.

4. Avstar Payment Terms: Net 45 days after receipt of complete order at Avstar unless otherwise specified on the Avstar Purchase Order.

5. Excusable Delays:

- A. Subject to this Section 5, neither Avstar nor Seller is liable for delays in the performance of an Avstar Purchase Order arising out of causes beyond the control and without the fault or negligence of the delayed party. Such causes include, but are not limited to, acts of God or the public enemy, acts of Government, fires, floods, epidemics, quarantine restrictions, strikes and freight embargoes.
- B. In the event of a failure of Seller to perform hereunder arising from any of the causes or events set forth in this section, Avstar will be entitled to obtain products or services covered by Avstar's Purchase Order elsewhere for the duration of such failure and to reduce the quantity or amount of products or services ordered from Seller under Avstar's Purchase Order by such amount without any obligation to Seller. If at any reason Seller has reason to believe that deliveries will not be made as scheduled, notice setting forth the cause of delay will be given immediately to Avstar.
- C. If Seller does not make deliveries as scheduled or fails to perform any of the other provisions of the Avstar Purchase Order or these Purchase Order Terms and Conditions, or so fails to make progress as to endanger performance of Avstar's Purchase Order in accordance with its terms or breaches any of the terms hereof for any cause not covered by this section, Avstar is entitled to obtain goods or services covered by its Purchase Order and Seller will be liable to Avstar for the amount, if any, by which the cost of elsewhere exceeds the cost specified in Avstar's Purchase Order.

7. Inspection:

- A. All goods ordered are subject to final inspection and approval at destination by Avstar notwithstanding certification of conformance by Seller, prior payment, or inspection at source, it being expressly agreed that none of these events shall constitute final acceptance.
- B. Avstar, without limitation to its other rights under the Purchase Order, may reject any goods which contain defective materials or workmanship, or do not conform to specifications, blueprints, drawings, samples or other descriptions furnished or specified by Avstar. Rejected goods may be returned at Seller's risk and expense at the full invoice price plus incoming and return transportation charges, if any, and no replacement by Seller of defective goods shall be made unless specified in writing by Avstar. Any replacement goods furnished by Seller with Avstar's approval shall be new and shall meet all requirements of Avstar's Purchase Order.
- C. Acceptance of any item shall not be deemed to alter or affect the obligations of Seller or the rights of Avstar under the terms of the Purchase Order, including, without limitation, Section 8 below.
- D. If Avstar reasonably determines that additional work is necessary to cause any goods to come within warranties hereunder expressed, Avstar may elect to perform such work and supply such materials as may be necessary or appropriate therefore, all at the expense of Seller, and performance of such work by Avstar shall in no way invalidate, waive or cause Avstar to waive by election any other remedy at law or in equity whatsoever.

8. Warranty:

- A. Seller expressly warrants that all goods and work covered by the Purchase Order will conform to the specifications, blueprints, drawings, samples and other descriptions furnished or specified by Avstar and will be merchantable, of good material and workmanship and free from defect.
